Dear Sir/Madam,

SUBJECT: IRN-100 LISTING

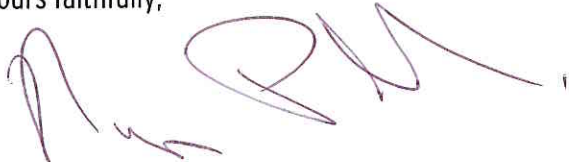

Please find attached a certificate denoting your company's inclusion in the IRN-100 survey of the world's largest equipment rental companies. The survey is based on rental turnover.

The IRN -100 list is published every year by *International Rental News (IRN)* - formerly *European Rental News*. A copy of the June issue of IRN, containing the full IRN-100 article, is attached for your information.

If you would like more certificates, or if you would like to receive regular copies of IRN (for you or colleagues at your company), then please contact me by E-mail on: murray.pollok@khl.com (You can also subscribe to the all-digital version of the magazine, at no cost, by registering at www.khl.com.)

For your information, IRN is sent to senior managers and owners at over 9000 equipment rental companies worldwide. The magazine comes from the UK-based KHL Group, which also publishes *Access International*, *International Construction* and *International Cranes & Specialised Transport* magazines.

Yours faithfully,

Murray Pollok
Editor
