**Williams Scotsman of Canada Acquires Mobile Office Business of  
AFA Locations Inc.**

Calgary, Alberta – (June 1, 2003) – Williams Scotsman of Canada, Inc. has purchased AFA Locations Inc., a Montreal, Quebec based company that specialized in the sale and leasing of mobile and modular offices. Williams Scotsman, already a leading mobile office and storage product provider throughout North America, will be acquiring approximately 300 units in its acquisition of AFA.

Alec McDonald, General Manager for Williams Scotsman of Canada, stated AFA's reputation for the excellent quality and flexibility of their mobile office products are a perfect match with Williams Scotsman's business model. The additional product will allow us to better serve our customers in Eastern Canada." McDonald is very pleased with the quality offered by the AFA product line. "We pride ourselves on offering our customers only top-quality units. The AFA fleet we're acquiring is of recent vintage, built to AFA's strict manufacturing standards and will fit in well with our existing rental fleet."

Williams Scotsman, Inc., headquartered in Baltimore, Maryland, operates a fleet of over 90,000 mobile office and storage units that are leased through a network of more than 90 locations throughout the United States and Canada. The company serves over 25,000 customers in approximately 460 separate industries. In addition to its core leasing business, Williams Scotsman also provides delivery, installation, refurbishment and other services to its leasing customers and sells new and used mobile office products.
