TENDER OFFER FOR ITS 10% SENIOR SECURED NOTES**

Baltimore, MD - August 18, 2005 - Williams Scotsman, Inc. announced today that it is amending its previously announced tender offer and consent solicitation for any and all of its outstanding 9⁷/₈% Senior Notes due 2007 (the "9⁷/₈% Notes") and for any and all of its outstanding 10% Senior Secured Notes due 2008 (the "10% Notes", together with the 9⁷/₈% Notes, the "Notes") by (i) extending the Consent Date to 5:00 P.M., New York City time, on August 31, 2005, unless further extended or terminated; (ii) extending the Expiration Date to 5:00 P.M., New York City time, on September 29, 2005, unless further extended or terminated and (iii) revising the tender offer consideration from \$1,081.68 to \$1,075.22 for each \$1,000 principal amount of 10% Notes tendered and accepted for payment pursuant to the tender offer. In addition, Williams Scotsman has amended the tender offer and consent solicitation to grant the holders of the Notes the right (i) to withdraw the validly tendered Notes effective on August 19, 2005, which right will expire on the new Consent Date and (ii) to withdraw the validly tendered Notes effective after October 3, 2005 if the company extends the expiration date of the tender offer and consent solicitation beyond October 3, 2005.

The total consideration for each \$1,000 principal amount of 10% Notes tendered on or prior to the Consent Date, unless extended or earlier terminated, and accepted for payment pursuant to the tender offer will be \$1,095.22, plus accrued and unpaid interest to, but not including, the applicable payment date. The total consideration will be the sum of the tender offer consideration of \$1,075.22 for each \$1,000 principal amount of 10% Notes tendered and accepted for payment pursuant to the tender offer and the consent payment of \$20.00 for each \$1,000 principal amount of 10% Notes validly tendered prior to the Consent Date and accepted for payment, plus accrued and unpaid interest to, but not including, the applicable payment date. The total consideration for the 10% Notes was determined by assuming that the 10% Notes were repurchased at

100% of their principal amount plus a make-whole premium based on the yield of a U.S. treasury security maturing on or near the first redemption date for such notes (which is August 15, 2006) plus 50 basis points.

The total consideration and the tender offer consideration for the 9⁷/₈% Notes will not be affected. The total consideration for each \$1,000 principal amount of 9⁷/₈% Notes tendered on or prior to the Consent Date, unless extended or earlier terminated, and accepted for payment pursuant to the tender offer will be \$1005.00, plus accrued and unpaid interest to, but not including, the applicable payment date. The total consideration will be the sum of the tender offer consideration of \$985.00 for each \$1,000 principal amount of 9⁷/₈% Notes tendered and accepted for payment pursuant to the tender offer and the consent payment of \$20.00 for each \$1,000 principal amount of 10% Notes validly tendered prior to the Consent Date and accepted for payment, plus accrued and unpaid interest to, but not including, the applicable payment date.
