# WE HELP YOU KEEP YOUR PROJECT MOVING

At WillScot Mobile Mini, we know the success of a construction project depends on reducing uncertainty and risk. We help you achieve this by providing the temporary workspace and storage you need to work the project efficiently. Construction clients call us constantly because they can count on us to deliver in every way. We handle the space, so they can focus on building.

## We make your life easier

As North America's largest provider of modular space, we have exactly the right units for your project, ready to roll to any location. One call and you get the offices and storage you need, plus the Essentials - all the furnishings, fixtures, tech, security and more to make your space Ready to Work from day one. We take care of every detail for you, so you can stay productive on your project.

## Uses for construction

- + Breakrooms
- + Client and VIP hospitality
- + Conference rooms
- + Construction offices
- + Equipment storage
- + Planning hubs
- + Restrooms
- + Sales offices
- + Tool cribs
- + Worksite HQs

## Ready solutions for construction

### Modular Complexes

- + Accommodate any sized crew. Open up more floor space. Readily handle any need
- + Furnish your space your way, from cubicles to ergonomic standing desks and chairs
- + Create a conference center, café, breakroom, or all of the above
- + Order your unit data-ready, for fast hookup to internet, WiFi, printers and more

### Construction Offices

- + Trailers and ground-level offices in sizes to meet any need
- + We can provide all the furnishings and fixtures so you can be productive day one
- + Easily handle and store blueprints with our Planning Package
- + Magnetic lights with motion sensors can be placed anywhere for better visibility

### Storage Containers

- + Secure units to protect valuable worksite equipment, tools and supplies
- + Durable high-gauge steel construction holds up to harsh working conditions
- + A wide range of sizes and door configurations let you customize to your needs
- + Add PRORACK shelving, magnetic lights and sturdy locks for limitless customization

### FLEX®

- + Make your space anything it needs to be with limitless flexibility and easy scalability
- + Scale up or down as the project changes and house all crew members in one complex
- + Motion-activated LED lighting, solar lighting, reflective roof coating and double-paned windows make FLEX energy efficient and cost effective

### Restroom Solutions

- + Help your people be more comfortable with clean, high-quality facilities
- + A variety of configurations allow you to accommodate any number of users
- + Smaller units can be configured as private ADA facilities
- + We also offer office units with built-in restrooms

### Ground-Level Offices

- + Ready-to-go container configuration gets you set up and functioning fast
- + Our units can be placed in the tightest of spaces anywhere on your site
- + Shipping container construction stands up to harsh weather and heavy usage
- + We can deliver the unit already outfitted with the furnishings and fixtures you need

# EVERYTHING YOU NEED FOR YOUR SPACE, INSIDE AND OUT.

## The Essentials

We offer a breadth of ready-to-go Essentials packages that cover the most typical needs. Plus we provide these packages at multiple levels, from simple, quality products that accommodate your construction teams, to more premium options suitable for entertaining customers and VIPs.
